

# ARTWORK SPECIFICATIONS LAMINATE AWARDS

Please supply exact size artwork as PDF's with the following specification :

A5 Laminates - 4 pieces of artwork 148mm x 210mm positioned on 296mm x 420mm artboard (2 across, 2 down).  
If the number of awards is not divisible by 4 then please fit artboard to size of artwork that is visible.

A4 Laminates - 2 pieces of artwork 297mm x 210mm positioned on 297mm x 420mm artboard (2 down).  
If the number of awards is not divisible by 2 then please fit artboard to size of artwork that is visible.

- No bleed
- No spacing between images
- No guide lines
- All fonts converted to outlines
- ALL ARTWORK TO BE SUPPLIED IN CMYK - INCLUDING ANY JPG OR TIFF IMAGES USED WITHIN ARTWORK  
Please ensure PDF's are written with colour management set to convert all colours to CMYK
- \*\* EFX hold no responsibility for printed colour inaccuracies for non CMYK artwork\*\*
- We require single page pdfs (a multipage pdf can be split by going to tools, split document, max number of pages = 1)  
eg if the order has 40 A5 awards we would need 10 separate files of 4 pieces of artwork

NB if your award is not A5 or A4 please supply an .AI file with fonts converted to outlines and any linked images.  
We will create the final print artwork pdf's.

If your designers would like to discuss artwork requirements please get in touch on 01789 450005, we're here to help!
